Description of change:	<p>After the BREXIT, the British regulatory authorities have decreed that manufacturers and distributors, at the latest from 01.01.2023, must declare with a "UKCA" mark (corresponding to the "CE" mark) that the product meets the applicable requirements in England, Wales and Scotland. In Northern Ireland, the "CE" mark will remain valid. For the time being only a paper declaration is necessary but no additional tests.</p> <p>Thales will deliver the products in the above list in the future with CE and additional UKCA mark.</p> <div style="display: flex; justify-content: space-around; align-items: center;"> <div style="text-align: center;"> <p>Current Label</p>  </div> <div style="text-align: center;"> <p>New Label</p>  </div> </div> <p>For further questions please contact your local FAE team.</p>
Schedule details:	During the Dec 2022 (no later than Jan 1st, 2023)
Timing note:	If THALES DIS AIS Deutschland GmbH does not receive a notification to the contrary within a period of 6 weeks, Thales assumes that the customer agrees to the change.
Quality assurance measurements:	The new version fulfils all internal test requirements according to our Quality Management process and philosophy.
